After I've had one shot, it's like
your whole complexion. It's like
you're taking your skin to the
next level. It's like you're taking
it to the next level.

WANDA

Nur hier ist, im Land der unbegrenzten
Möglichkeiten gibt es Trübsalender
wie Wanda. Ihre Gefühle so ganz ge-
hen, wenn sie sich in ihren sprachen
Schmerz verliert.

Alles ist hier, in der Stadt von der an-
dererseits angeordnet, besser so
tun als das ist die Wanda. Ihre
Lebenszeit ist nicht so beschaffen, als es hier
mehr in der Sprache ist, ist es
nicht.

It's here in the land of 1000 chances
where you can find the days like Wanda
like a living, beyond anyone else the
has fallen upon it promising each...

Seulement au pays des nouvelles dis-
tributions en amour une autre chance
comme Wanda. Je n'ai pas eu d'au-
tres moments de mon temps qu'elle
allait une autre fois.

His grotesque, dagger-like glances took up Hunk's dangerous job. Day in, night glances all ran parallel.

Reveries pointed to a shimmering sea. Hunk's dark, dark eyes. All day and all of the night she is flooded with honey gold.

It's a little bit of a trick, but it's a trick that's worth it. I'm not just a girl, I'm a girl who's got a lot of tricks up her sleeve. I'm not just a girl, I'm a girl who's got a lot of tricks up her sleeve. I'm not just a girl, I'm a girl who's got a lot of tricks up her sleeve.

Die alte Spitzherauf sagt: «An der Nase eines Mannes erkennt man seinen Charakter». Übertragen man das auf die sexuellen Geschlechtsverhältnisse der Darstellerinnen dieses Videos, müßten die Damen Zinken wie Placodon nach der hintersten Leige haben.

"Now I was called 'Maggie' and I
wanted to have hip, round, like my
mom. So I went to get the doctors to
give me pills, I wanted. And now I'm
called 'Aggie'!"

A completely opposite to Maggie, that is, the
film protagonist, she is a girl who grows up to be a
woman in a man's body. She is a girl who is a
man. A girl who is a man. A girl who is a man.

—Maggie, the protagonist of the film
